ASK A RELATIVE

LANDSCAPE PARTNERSHIP

PHONE/VIDEO CALL A RELATIVE OR FAMILY FRIEND

Or, if someone older than your parents already lives with you, talk to them and record yourself. Here's some questions to ask them...

ABOUT THEM

How long ago were they the same age that you are now?

When they were your age, did they live in Bath?

What were their parents' jobs?

PLAYING OUTSIDE

Where did they play outside when they were your age - what local fields and woods?

When they were outside what games did they play and what did they get up to?

NATURE

What birds and animals can they remember seeing when they were little?

Where did they see them?

Do they still see those things now?

DIFFERENCES

What do they think is different about Bath now compared to when they were your age?

How do you think their childhood was different to yours?
