

## 6<sup>th</sup> to 21<sup>st</sup> September 2025

The walking festival will guide people round the wonders of the landscape, highlighting the importance of the green spaces to the city and its heritage.

New to this year's programme: a deaf-led guided walk; an accessible sensory experience in Henrietta Park; and a photography walk-shop, as well as some returning favourites. We'll be celebrating Bath's links with Alkmaar for the 80<sup>th</sup> anniversary of the twinning relationship and visiting some modernist architecture, Jane Austen gets a mention too.

We're also encouraging people to visit the neighbouring walking festival and Walkers are Welcome groups in Somer Valley, Keynsham and Bradford-on-Avon.

You can find the full programme, with additional access information, what to bring etc and booking details here - <https://www.bathscape.co.uk/walking-festival/> or contact Bathscape on 01225 477265 or by email at [info@bathscape.co.uk](mailto:info@bathscape.co.uk) and we'll find the right walk for you.

For all walks, if you have access requirements, please get in touch to discuss them. We can often offer a guide for Blind and visually impaired people including on our longer walks. We have a walk this year wholly in BSL. We try and provide information about whether the walk is wheel-friendly or not. Finally, some walks aren't suitable for dogs, but of course, assistance dogs are welcome on all walks. Check the full listing for more information.

**This document is a very short summary of what we have on offer. The complete information, including meeting points, more access info and walk content is on the website.**

We particularly welcome players of the National Lottery on our walks as a big thank you for the funding Bathscape has received, making all our activities possible.

## Saturday, 6<sup>th</sup> September
