

Grow at the Fox Hill Community Garden

The community garden, next to Parson's bakery, has been untended for several years. Local residents with some support have cleared it back, now it's time to get it growing again!

We need you to help plant it up and learn how to tend the plants. Grow for Life will be running sessions from 11am until 1pm on:

**Wednesday 25th February,
4th March, 11th March &
25th March 2026**

No need to book. Just come along ready to get your hands dirty. You'll be helping re-establish a garden for us all to share. A place where we say 'there are no strangers here'.

If you need more support in
grief and bereavement visit
